

## Farmers' training programme organized under New Generation Watershed Development Programme (NGWDP), PMKSY – WDC 2.0

ICAR-IIWM, Bhubaneswar organized a three days training during 22-24 September, 2022 for progressive farmers including micro-watersheds chairmans, SHG members and officials working in the project from Deobhog and Gariaband blocks, Dist. Gariaband, Chhattisgarh under New Generation Watershed Development Programme (NGWDP), PMKSY – WDC 2.0. A total of 40 farmers including 6 women farmers participated in the training programme. During the course, emphasis was given on the project activities and training requirement for empowering human resources to implement successfully the project interventions. On 24<sup>th</sup> September, 2022 the training concluded with valedictory programme. The farmers expressed their satisfaction in the training and assured to utilize the knowledge gain from the programme while implementing the watershed interventions. Dr. D.C.Sahoo, Principal Scientist coordinated the programme.
