

ICAR-IIWM, Bhubaneswar Organized NRM Division Review Meeting for Foreign-aided Projects on 23.07.2022

The Natural Resource Management Division of ICAR reviewed the six monthly (January to June, 2022) progresses of foreign-funded projects as well as projects agreed in the workplan between ICAR and CGIAR Centres (ICRAF & IWMI) at ICAR-IIWM, Bhubaneswar on 23rd July, 2022. The review meeting was chaired by Dr. S.K. Chaudhari, DDG (NRM), ICAR, New Delhi. He urged the scientists to implement all foreign-aided projects effectively and advised to pay sufficient attention for the timely completion of their objectives. Scientists from different ICAR NRM institutes presented the progress and achievements of the projects. Earlier, Dr. R.K. Panda, Director of the institute welcomed the guests and participants of the meeting.
