

# ICAR-Indian Institute of Water Management, Bhubaneswar

## 'Daily Swachhta Report' of activities undertaken on occasion of

"Swachhta Hi Sewa 2019" (11 September – 02 October 2019) on 14<sup>th</sup> September 2019

Cleanliness and awareness campaign under "Swachhta Hi Sewa" was organised by ICAR-Indian Institute of Water Management, Bhubaneswar on 14<sup>th</sup> September 2019. The staff members of ICAR-Indian Institute of Water Management have participated in cleanliness campaign at Children's park in Sailasree Vihar, Bhubaneswar. They have removed the unwanted weeds and also uprooted notorious weed parthenium. Children who were playing in the park got interested in this activity. The staff members explained ill effects of plastic materials to the mother Earth and specifically created awareness on non-use of single use plastics (carry bags) through display of placards (showing slogans about eradication of single use plastics) and Swachhta banner. The staff members also sensitized the parents came with children about health hazards of parthenium and its eradication. The photographs during cleanliness and awareness campaign and are enclosed here with.

Awareness about non use of single use plastic among children and cleanliness drive conducted by ICAR-IIWM, Bhubaneswar on 14.09.2019 at Children's park, Sailasree Vihar, Bhubaneswar.
