18. **General Eligibility Criteria:**

- Any firm situated in India that is in the business of providing goods/works/services of specified categories of interest shall be eligible for registration, subject to meeting all other prescribed terms & conditions.
- Where registration is granted based on partly outsourced arrangements/agreements, it shall always be the responsibility of the registered unit to keep such arrangements/agreements renewed/alive & to keep their registration valid for the period for which it has been granted. Any failure in this regard may make the registration null & void/ineffective retrospectively from any such dates which the registering authority considers appropriate.
- The Firm should also have good internal governance practices, such as a whistleblower policy, a documented commitment to ESG (Environmental, Social, & Governance) code of conduct, a code of business ethics, etc.
- The firm against whom punitive action has been taken shall not be eligible for registration/re-registration during the currency of punitive action. Registration requests may not be entertained from firms (or their allied firms) who are deregistered/banned.

19. **Approval of Registration:** If considered to be capable after carefully assessing & verifying credentials, the firm may be granted registration with the approval of the Competent Authority (CA).
20. **Validity & Renewal of Registration:** Registration is valid for a specified period (one year, extendable up to three, one year at a time). At the end of this period, the registered supplier(s) willing to continue with registration is to apply afresh for renewal of registration. However, the registration would be initially treated as provisional, & it would be treated as confirmed only after the firm has satisfactorily executed one order of the relevant category & value from the Procuring Entity. The extension of validity of registration is not a matter of right, & the Procuring Entity reserves the right not to extend such registration without assigning any reason. New supplier(s) may also be considered for registration at any time, provided they fulfil all the required conditions.
21. **Registration Number & Public Display:** All registered suppliers should be allocated a unique registration number. The list of registered suppliers for the subject matter of procurement (indicating the names & addresses of the registered suppliers with details of the requirements & monetary value they will supply, as well as the validity period, & so on, for which they are registered), shall be exhibited on the websites of the Procuring Entity.
22. Firms interested in registration for the limited tender enquiry **are required to submit their applications** by the **deadline of 25th July, 2026. Applications received after this date will be summarily rejected.**
